

Welcome Team

Subject: NAME BADGES

Hello, my name is Royal Palmer. I am the chair of the Welcome/Witness Team. We provide the name badges for our membership.

Wearing a name badge is helping the people we meet here at church with half of an introduction. It helps people by starting the conversation with, "Hi, my name is . . ." To hear something and to see it reinforces it to our memory. Wearing the name badge shows pride of our membership here at Grace. It makes others comfortable to stick out their hand. We are showing that we want to exchange names and share ourselves with others.

Our goal is to have everyone, every time we come

to church for a meeting, social activity or a service to make ourselves available to all of the people we meet and greet.

If you need a badge the go-to place is the office. You can reach the office by putting a note in the collection plate, handing it to an usher or stopping by the office in person. A note to Debbie for a new badge and what you want on the badge is what we need for this project. We will order one just for you.

Join us in the fellowship experience of sharing and caring for each other.

Warm regards and blessings of the season,
Roy Palmer and the Welcome Team
