Medical Loan Closet

Grace United Methodist Church maintains a medical loan closet for the community. There is medical equipment available which is loaned to persons in need. The equipment is not new, but it is clean and in good working order.

Equipment available:

- ~ Walkers
- ~ Wheelchairs

Equipment is loaned out (based on availability) for as long as needed. Simply call the church at (717) 763-7632 to request the needed equipment. If available, you will be asked to fill out a brief form and then the equipment will be released to you.

We simply ask that you return the equipment clean and in good working order.
